PREFACE

The Department of Scientific and Industrial Research (DSIR) is the nodal government department for granting recognition to non-commercial Scientific & Industrial Research Organisations (SIROs). The organisations eligible for recognition are: (a) associations, i.e., societies with the objective of undertaking scientific and/or industrial research; registered under the Societies Registration Act, 1860 or any such act passed by the State Government and registered trusts having main objective of undertaking scientific and/or industrial research and development, (b) companies incorporated u/s 25 of the Companies Act, 1956 and set up for engaging in R&D activities, (c) institutions having adequate infrastructural facilities to undertake scientific and/or industrial research and having undertaking of scientific and/or industrial research as the main objective of the institution, (d) professional bodies having undertaking/promoting undertaking of scientific and/or industrial research as the main objective, (e) `universities established or incorporated by/or under a Central or State Act and including institutions declared u/s 3 of the University Grants Commission Act, 1956 and (f) colleges affiliated to universities and undertaking scientific research in specific disciplines. The SIROs recognised by DSIR are eligible for customs duty exemption and excise duty waiver under notification nos. 51/96-Customs dated 23.7.1996 and 10/97-Central Excise dated 1.3.1997 respectively.

DSIR has been bringing out `Directory of Recognised Scientific and Industrial Research Organisations' every year; the last one was printed in November, 2006. Since then a number of new SIROs were recognised and also recognition granted to some SIROs has lapsed. A revised and updated version of the `Directory of Recognised Scientific & Industrial Research Organisations' has now been brought out by DSIR. The publication covers details of 570 SIROs of which 38 in agricultural sciences, 200 in medical sciences, 198 in natural and applied sciences, 108 in social sciences and 26 universities/colleges are having valid recognition by DSIR. The renewal of recognition of the remaining 31 SIROs beyond 31.03.2007 is under consideration for want of further information/ clarifications. Names and addresses, DSIR recognition numbers and periods of validity of the recognition of all the recognised SIROs are given in the publication.

The main purpose of bringing out this directory is to provide a reference source to various industries, Government Departments, R&D institutions and others who may like to take the opportunity of initiating interaction with the SIROs in various disciplines of scientific and/or industrial research. Although due care has been taken to correctly indicate details of recognised SIROs in the directory, in case of any anomaly actual recognition letters should be referred to.

Recognition of SIROs by DSIR does not amount to approval under section 35(1)(ii)/35(1)(iii) of IT Act. For such an approval, SIROs may apply to appropriate authority as per provisions of Income Tax Act 1961/ IT Rules, 1962.
