

DIRECTORY OF RECOGNISED IN-HOUSE R&D UNITS

OCTOBER 2006

सत्यमेव जयते

**DEPARTMENT OF SCIENTIFIC & INDUSTRIAL RESEARCH
MINISTRY OF SCIENCE AND TECHNOLOGY
NEW DELHI**

PREFACE

Over the years a strong science & technology infrastructure has been established in the country. This covers a chain of national laboratories, specialized research centres, various R&D and academic institutions, training centers, and others. Various policy measures and organizational structures have also been evolved from time to time to meet the changing industrial and technological requirement of the country.

Government have been giving special attention to promotion and support to industrial research in industry. Several fiscal incentives and other support measures have been provided which encourage and make it financially attractive for industrial units to establish their own in-house R&D units.

A scheme for granting recognition to in-house R&D units in industrial sector was started in 1973. The scheme is being operated by the Department of Scientific & Industrial Research (DSIR) in the Ministry of Science & Technology. As on 31st October 2006, there are 1212 in-house R&D units having valid recognition, of these nearly 1140 are in private sector and the remaining are in public/joint sector.

A directory of recognized in-house R&D units was first brought out in December 1983; revised and updated version was brought out in February 1985. Since then the directory has been brought out in an updated form every year. Since the last publication of the directory in October 2005, a number of new R&D units have been recognized, as also recognition granted to some units has elapsed. The present edition of the Directory lists 1212 in-house R&D units, giving their registration number, name and mailing address of the company, location of the in-house R&D unit.

The main purpose of bringing out this directory is to provide a reference source for various industries, government departments, R&D institutions and others who may like to take the opportunity of initiating interaction with the in-house R&D units in various disciplines of industrial R&D.

Even though all possible care has been taken in compiling the directory of the recognised in-house R&D units, some inadvertent errors cannot be totally ruled out. We will be grateful if such errors are pointed out to us so that we can make requisite correction in our database and if essential publish an errata.

The enormous efforts put by DSIR Officers comprising of Shri G. M. Bagai, Scientist – F, Shri Kuldip Rai, Scientist – F and Shri Gurmit Singh, Under Secretary, in bringing out this publication is acknowledged with appreciation.

R.R. Abhyankar
Scientist – G and Head, RDI
