DIRECTORY OF RECOGNISED IN-HOUSE R&D UNITS

OCTOBER 2000

DEPARTMENT OF SCIENTIFIC AND INDUSTRIAL RESEARCH
MINISTRY OF SCIENCE AND TECHNOLOGY
NEW DELHI

PREFACE

Over the years a strong science & technology infrastructure has been established in the country. This covers a chain of national laboratories, specialised research centres, various R&D and academic institutions, training centres, and others. Various policy measures and organisational structures have also been evolved from time to time to meet the changing industrial and technological requirements of the country.

Government have been giving special attention to promotion and support to industrial research in industry. Several fiscal incentives and other support measures have been provided which encourage and make it financially attractive for industrial units to establish their own in-house R&D units.

A scheme for granting recognition to in-house R&D units in industrial sector was started in 1973. The scheme is being operated by the Department of Scientific & Industrial Research (DSIR) in the Ministry of Science and Technology. As on 1 October 2000, there are 1163 in-house R&D units having valid recognition; of these nearly 1060 are in private sector and the remaining in public/joint sector.

A directory of recognised in-house R&D units was first brought out in December 1983; revised and updated versions were brought out in February 1985, November 1986, December 1987, December 1988, August 1989, August 1990, September 1991, September 1992, October 1993, October 1994, October 1995, November 1996, September 1997, November 1998 and November 1999. Since then a number of new R&D units have been recognised as also recognition granted to some units has lapsed, The present edition of the Directory lists 1163 in-house R&D units, giving their registration number, name and mailing address of the company, location of the in-house R&D unit (s), and validity of DSIR recognition.

The main purpose of bringing out this directory is to provide a reference source for various industries, Government Departments, R&D institutions and others who may like to take the opportunity of initiating interaction with the in-house R&D units in various disciplines of industrial R&D. Although due care has been taken to correctly indicate the name of the company, location of R&D unit (s) and validity of recognition in the directory, in case of any anomaly, actual recognition letters may be referred to.

The enormous effort put in by Shri Kuldip Rai, Scientist – D, Shri G. M. Bagai, Scientist – D, Shri Gurmit Singh, Under Secretary and Ms. S. Naidu, Junior Technical Assistant in bringing out this publication is acknowledged with appreciation.
