PREFACE

Over the years a strong science & technology infrastructure has been established in the country. This covers a chain of national laboratories, specialized research centers, various R&D and academic institutions, training centers, and others. Various policy measures and organizational structures have also been evolved from time to time to meet the changing industrial and technological requirements of the country.

Government have been giving special attention to promotion and support to industrial research in industry. Several fiscal incentives and other support measures have been provided which encourage and make it financially attractive for industrial units to establish their own in-house R&D units.

A scheme for granting recognition to in-house R&D units in industrial sector was started in 1973. The scheme is being operated by the Department of Scientific & Industrial Research (DSIR) in the Ministry of Science and Technology. As on 1st October 2003, there are 1159 in-house R&D units having valid recognition and three in-house R&D units is under consideration for renewal of recognition beyond 31.03.2003, of these nearly 1090 are in private sector and the remaining are in public/joint sector.

A directory of recognized in-house R&D units was first brought out in December 1983; revise and updated version was brought out in February 1985. Since then the directory has been brought out in updated form every year. Since the last publication of the directory in December 2002. A number of new R&D units have been recognized as also recognition granted to some units has lapsed. The present edition of the Directory lists 1159 in-house R&D units, giving their registration number, name and mailing address of the company, location of the in-house R&D unit(s), and validity of DSIR recognition.

The main purpose of bringing out this directory is to provide a reference source for various industries Government department, R&D institutions and others who may like to take the opportunity of initiating interaction with the in-house R&D units in various disciplines of industrial R&D. Although due care has been taken to correctly indicate the name of the firms, location of R&D unit(s) and validity of recognition in the directory, in case of any anomaly, actual recognition letters may be referred to.

The enormous efforts put in by DSIR Officers comprising of Shri G.M. Bagai, Scientist - F, Shri Kuldip Rai, Scientist - F and Shri Gurmit Singh, Under Secretary, in bringing out this publication is acknowledged with appreciation.
